OBJECTIVE

To work as an Intern or Junior Developer in the Technology field, applying and expanding my software development knowledge. I aim to contribute to innovative projects while enhancing my technical and professional skills in a continuous learning environment.

ABOUT ME

I am an 18-year-old aspiring software developer, currently pursuing a degree in Systems Analysis and Development at FIAP. I have been working as a Software Development Intern at MRM McCann Worldgroup for 11 months. My experience spans full-stack development and cross-functional collaboration in Agile environments.

I hold an advanced English certification from Wizard by Pearson, enabling effective communication in international teams. I am highly motivated to learn, grow, and contribute to innovative technology projects.

HARD SKILLS:

- **Frontend:** HTML, CSS (SCSS, Tailwind CSS), JavaScript, TypeScript, React, Next.js, React Native
- **Backend:** Node.js, Java, Python, SQL, C#, Strapi
- **Cloud:** AWS, Azure
- **Tools:** Git, Github, BitBucket, Jira, Trello, Microsoft Office (Excel, PowerPoint, Word)

SOFT SKILLS:

- Effective communication
 - Teamwork
 - Proactivity
 - Resilience
 - Organization
-
